- Adhere to the extreme standards of maintaining paramount quality of our products and services
- Keep on formulating different patterns to develop an array of options for our growing customer base

## Management:

“THE ANCHOR OF ANY BUSINESS IS RELIABLE MANAGEMENT”

Damas is considerably robust when it comes to precise management and strategy making, since 3 of the finest experts have teamed up to deliver matchless perfection. The onus of the enterprise is distributed amongst Mr. Kirti Patel, Mr. Vinod Patel and Mr. Vipul Patel. These 3 are the anchors of Damas.

## Director of Finance

### MR. VINOD PATEL

He is a mastermind from Baroda, with a working experience of more than 20 years in the field of laminates. He understands numbers better than all, owing to which he has been looking after the finance department of Damas. His clear understanding and ability to carry out transactions has brought all the well being to the team. His intellect leads to proper valuation and least wastage, consequently a promising growth is bestowed.

## Director of Marketing

### Mr. Kirti Patel

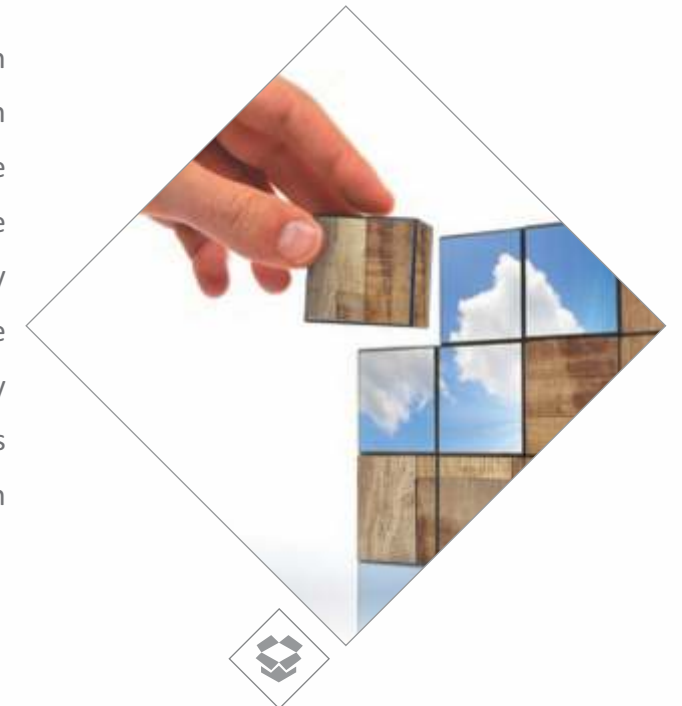

He is a visionary with an experience of more than 2 decades in the field of distribution and has dealt with many leading brands. It is his vision and dedication that has given Damas one of its proud jewel, "D'support", which is an application designed in particular to cater the need of regulations required for effortless maintenance of raw materials and other resource management faculties. It has simplified the management to a great extent. Indeed Damas is the only company to have a specific, Distribution Support System, D'serve.

## Production Head

### MR. VIPUL PATEL

He is an intellect of a kind, with an experience of 10 years. He has always been holding knowledge about nitty-gritty of the laminate business especially from the production viewpoint. He is simply excellent in terms of understanding the production outlay. He goes out of the way to make sure that the production runs steadily and is in correspondence with current market trends.

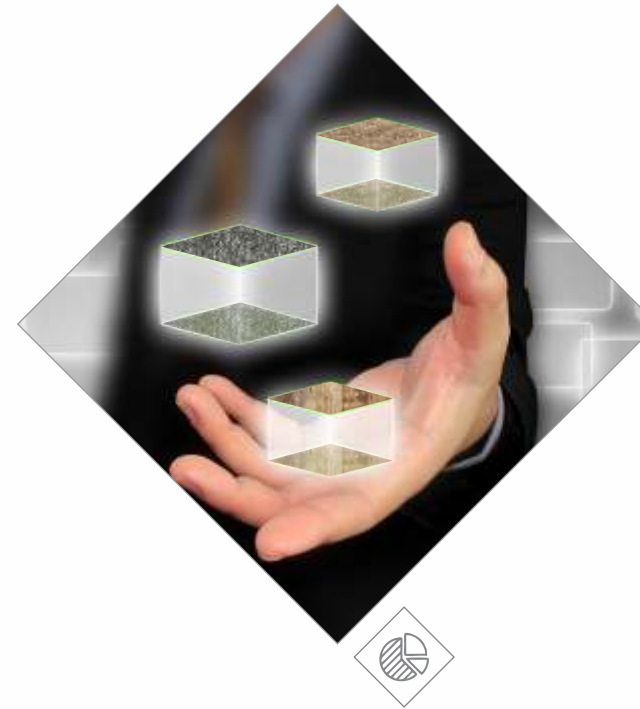

## “SOLID FOUNDATIONS LEAD TO SOLID CONSTRUCTIONS”

R&D is the backbone of Damas and we have been working continuously to keep the R&D department updated & regulated in terms of technologies & policies, which as a matter of fact helps us to hold our strong command on quality. We have a focused team which is well equipped with a crystal clear aim to deliver nothing but the best.

# Marketing & Brand Promotions

## “WE DON'T MAKE CONTACTS, WE DEVELOP RELATIONSHIPS”

The distribution network of Damas is expanded profoundly in India as well as in other countries, which helps us to multiply our reach smoothly. The layered fragmentation of our market channel simplifies the shifts of market and products.

“BREAKING THE BOUNDARIES FOR GOOD”

Indian laminates have always had a special ranking in international market since they are class apart in quality and they have affable rates too. Utilizing this open arena of opportunities, Damas is able to make its presence feel in following countries: Singapore, Malaysia, UAE, Indonesia, Europe and North America. The scale is gathering momentum as it promotes “Make in India” drive and Damas has received pleasant responses uprightly from all foreign outlets.

“RELIABLE FACILITIES CREATE BANKABLE PRODUCTS”

The pyramid of functionality of Damas has manufacturing facilities at its base. We bring in world class products at your doorsteps through top-notch machineries that equip in 1,76,000 sq. feet of unit that produces 2,00,000 sheets pm, whereby 100% imported paper is utilized, assuring fine output. This exceptionally well thought layout returns us in a holistic manner since it boosts our numerical as well as non quantifiable elements.

Why Damas

“BECAUSE WE MAKE EVERY CORNER COUNT”

Damas is not a name only; it's a brand to bank upon. We serve best quality products that are brilliant due to efficiency in technology & designs that are customer friendly & flexible.
