Featuring a unique blend of neon pastel shades

Colormass

Featuring a unique blend of neon pastel shades

100% PURE
PHENOLIC LAMINATES

Colormass is a collection from Damas Laminates that defines a cohesive color mass for surfaces and spaces. This collection remains versatile across environments, from commercial installations to home interiors, ensuring consistency and recognition. Subtle variations within the mass add depth and texture while preserving clarity and calm. The result is a dependable, timeless palette that supports usability, communicates Damas Laminates' values, and guides design decisions with confidence.

Colourmass

Featuring a unique blend of neon pastel shades.

An elegant design phenomenon that transforms your spaces with an ebullient verve of trendsetting ideas for a charismatic makeover and mesmerizing appeal.

about damas

Damas Laminates is a leading manufacturer of decorative laminates and plywood solutions, specializing in innovative designs, superior surface finishes, and durable products for furniture and interiors. With a focus on precision and sustainability, we ensure consistent performance across a wide range of aesthetics, and our facilities combine advanced technology with skilled craftsmanship to meet global standards. We offer customized textures, patterns, and thickness options to suit diverse projects, while timely delivery, reliable service, and strong after-sales support are core to our partnerships. We also invest in R&D to expand our eco-friendly, trend-ready portfolio, and you can trust Damas Laminates for value, consistency, and exquisite finishes that elevate spaces.
